about us

The Solid Waste Management Service Center is responsible for the collection and disposal of all solid waste within the City in accordance with State and Federal Laws.

In an ongoing effort to reduce the amount of solid waste being disposed in Memphis area landfills, Solid Waste Management has developed and implemented a variety of recycling programs and initiatives.

Code Violations

OVERSIZED TREE DEBRIS

Oversized tree debris - longs and limbs in excess of 13" in diameter and/or over 5' in length

CONSTRUCTION

Construction, Demolition, Repair, and Remodeling Debris - including, but not limited to sheet rock, flooring, tile, roofing, concrete, and lumber

CONTRACTOR DEBRIS

Providers of services such as lawn maintenance, tree trimming, home improvement, etc. must remove the waste generated by their services.

 Code Violators MUST remove the debris within 5 days or be billed for all costs. Failure to do so will result in a lien being placed on the property.

how we work + how we can help you

GARBAGE & RECYCLING CARTS

Each home is provided two City issued 96 gallon carts, one cart for garbage and one cart for recycling. Personally owned garbage and recycling containers will not be emptied.

GARBAGE AND RECYCLING COLLECTION

Carts should be placed at the curb by 7:00 a.m. on the day of your collection. Please remove them from the curb after collection.

YARD WASTE/BULKY ITEMS

Yard waste, bulky items, and excess bagged trash (materials outside the cart), is scheduled to be collected on your pick-up day, but can be delayed.

Limbs MUST be under 13" in diameter and/or less than 5' in length.
